

CONVOCATION | 2020

VISION

To build the nation and the society by providing total, integrated and trans-cultural quality education, to be the global front runner in value education and to nurture talent in an environment where modernity blends with tradition.

Message by the FOUNDER PRESIDENT

It is my obsession, junoon and one of the missions of my life that the potential of each one of my students and alumni develops to the fullest. It is always my continuous endeavour to look for new findings, gather experiences and do research to fulfill my above dream.

My dear alumni, I wish to share with you, that if I have achieved any success in my professional career, entrepreneurial career and personal life, it is all because of my uncompromising urge to attain the highest success in whatever I pursue.

You, my dear alumni, have been my students for many years, have taken breath in an environment, in the air, which has given you the utmost urge to have distinguished identity in your professional/entrepreneurial and personal career.

It is very easy to reach the pinnacle of success – for that, you have to dream big, dream with open eyes and make a roadmap to reach such great heights. That is all. But one thing, while pursuing your mission and goal, you should not deter from your path, no matter, whatever challenges, adversities and difficulties come in your way.

I am confident that having the genes of your worthy grand-parents and parents and other noble senior blood relations and having inherited their values and sanskars and this coupled with education at Amity, where the power of Brahmastra “Behavioural Science” has been instilled in you, I am sure each one of my alumni would make a success story and thus, would become pride for their family, for Amity and for the whole nation and would contribute tremendously in making India a Superpower.

My blessings would always remain with you and your family.

Dr. Ashok K. Chauhan

Founder President

Ritnand Balved Education Foundation (RBEF)

(The Foundation of Amity institutions and the

Sponsoring body of Amity Universities)

Chairman, AKC Group of Companies

MISSION

To provide education to all levels in all disciplines of modern times and in the futuristic and emerging frontier areas of knowledge, learning and research.

To enhance the overall personality of students by making them not only excellent professionals but also good human beings, with understanding and regard for human values, pride in their heritage and culture.

To inculcate in students a sense of right and wrong, a yearning for perfection and attributes of courage of conviction and action.

Message by the Chancellor, Amity University

It gives me great pleasure to congratulate the over 18,500 Amitians who are graduating as part of the Class of 2020. A convocation is one of the milestones in life one never forgets and I am sure you will share the immense feeling of pride and happiness with us and all your family members, friends and colleagues.

As an Amitian never forget the great sacrifices your family and faculty have made to give you the best possible education. It is now your responsibility to do your best possible to give back to society and make them all proud.

I express my sincere appreciation to all the faculty and staff of Amity University, for assisting you on your educational and life journey during these defining years, and for continuing to make this University a place of excellence and fine achievements.

We are here because of the vision that our Founder President Dr. Ashok K. Chauhan had and the passion and junoon with which he has brought together the best people and led them to ensure that Amity offers transformational education to brilliant young achievers who will go further to improve society. Just one of the many outcomes of this commitment is that Amity University has been the ranked among the top 3% universities globally by QS and THE (Times Higher Education)-the world's leading University rankings organizations. Amity has also set a new standard of academic excellence by becoming Asia's only university to get both a US Regional Accreditation from WASC as well as QAA, UK Accreditation.

This year has been extraordinary and challenging for all. I am proud that everyone at the University has risen to the challenge to ensure that our students get the best possible education and experience. We have also together taken care of those who need it the most by cooking food in the University cafeterias and distributing to tens of thousands of people, in addition to giving PPE kits and hundreds of tonnes of ration during the deepest lockdown periods.

There are of course many factors driving Amity's growing success now and into the future. Given that research is an important indicator of the stature of a University, we have made considerable investments in research. For instance, Amity in the last years has filed over 1,300 patents, which as per the Annual Report of the Controller General of Patents, Government of India, is by far the highest number of patents filed by any Indian University.

Today, as you receive your degree, you will hold in your hands the key to the door of your future professional success. As future leaders, I trust that the leadership qualities that you demonstrate will reflect the values that you have nurtured during your years at Amity. These values not only ascribe to the highest levels of academic distinction but also inspire you to follow a lifelong pursuit of excellence. They also make you a better human being, rendering selfless services to your Country, society and humanity.

Congratulations once again. Always remember we are family for life. I look forward to meeting you in the future and sharing in the stories of your success and happiness. We are always there for you.

Dr. Atul Chauhan

Message by the Vice Chancellor, Amity University

"Do not follow where the path may lead.

Go, instead, where there is no path and leave a trail." – Ralph Waldo Emerson

Dear Torchbearers of Amity University,

On the momentous occasion of the Convocation 2020, I extend my heartiest greetings to each one of you and your guardians.

Graduation is a significant rite-of-passage in a student's life. Both an academic as well as a personal milestone, this crossing-over is indicative of intellectual as well as emotional growing up. We at Amity University consistently endeavor to provide an environment of holistic development which reflects in the academic achievements and the persona of every Amitian. The unique and distinct character of Amity education emphasizes on preparing the youth for a productive career and meaningful life. Every effort is made to develop the graduate attributes befitting a profession.

With a strong foundation of excellence, dedication and professional ethics, emulated and demonstrated by our visionary leader, Hon'ble Founder President Dr Ashok K. Chauhan, Amity University today symbolizes a training ground for youth with a vision and will to transform the future. Leading by example our Founder President always inspires us to maintain the highest standards of performance and take the university to its pinnacle of success.

Amity University's commitment towards its students and the society is evident from its proactive response to the pandemic that has impacted every aspect of human life including education. Within a few days of the announcement of complete lockdown Amity was all set to the pioneer in the remote mode of classes. Not only did it ensure the smooth and timely conduct of teaching learning but also that of various co-curricular as well as extracurricular activities to keep the students engaged and gainful. To make the lockdown period stress-free and fruitful Amity University organized 2000+ webinars, 20+ conferences and 50+ professional development programmes. Amity University's response during the pandemic further reinforces its emphasis and efforts in making Amitians future ready.

On this momentous occasion as you enter a new phase of your life, we celebrate your success and your achievement. The moment also emphasizes the depth of committed efforts of your faculty, mentors and the blessings of your parents. The diversity of experience ranging from classroom learning, exploratory and experiential learning through labs, industry internship, inter-disciplinary exposure and sports to cultural will always make you stand apart from the rest.

On this special day you will be conferred your degrees along with more than 18,500 graduands. Simultaneously it will cement your long-lasting relationship with Amity University as you join the Amity Alumni Networks of 2,50,000 across the globe.

Congratulations on yours University Degree. It is indeed a proud moment. It is a moment to reflect on the role of every individual in the landscape of society and civilization. I urge you to enhance your professional journey with a resolve for excellence and ethics and a desire to contribute to the lives of those who need support and encouragement in living a life of dignity. The twin goals of self-growth and social good will add greater value to your future journey. We wish you fulfill the commitment to lifelong learning and exemplary display of human values.

You are the brand ambassador of Amity University. As you cross this threshold to embark upon the new journey of life remember that you will be judged by your attitudes, values and the ability to adjust in any given situation. So, be the best version of yourself. Amity will always be home to you and we will always be a part of your extended family. Be proud of Amity and make Amity proud of you.

I wish you happiness, success and prosperity in life.

Prof. (Dr.) Balvinder Shukla

Message by the Group Vice Chancellor, Amity Universities

Our very dear Amity champions of Class of 2020!

Heartiest congratulations to all of you on earning your well-deserved degree, which is a testament of your hard work, commitment, intellectual & emotional growth spurred by the unstinted support of your parents, family and everyone at Amity.

The pious occasion of your Convocation is very special for all of us, as we proudly and confidently see you progress ahead with ignited minds, hearts & souls that are set to create new benchmarks of excellence in all spheres of life.

Your achievements that have come about with your diligence and focus would not have been possible without the vision of our Honorable Founder President, Dr. Ashok K. Chauhan and dynamic leadership of President & Chancellor, Dr. Atul Chauhan that has today successfully transformed & revolutionized education with Amity campuses across the world including London, Dubai, New York, San Francisco, Singapore, Tashkent, Mauritius & Nairobi.

You are a proud member of this wonderful global Amity family that is recognized as a leader amongst the top 3% of Universities worldwide, in top 6 in India in terms of employment, and the best in Internationalization in the region with its International Business School having been ranked amongst the top 6 with 119% recommendations & votes by the Deans of leading Institutions across the globe who participated in the ranking undertaken by Eduniversal, the France based world renowned ranking agency.

Built on a very foundation, the last year witnessed many exciting International initiatives & activities with partnerships with most reputed Universities like Monash in Australia and Arizona, Northeastern, UC Berkeley & Thunderbird Business School in USA.

In terms of Mobility and exchanges, 2019-20 brought a number of opportunities for Amity students by way of Study Abroad programs, 3Continent Programs, Internship Abroad & Semester Exchange Programs and BRICS Scholarship in which 16 students travelled to Russia on all expense paid trip.

Collaborative research, conferences and events with reputed practitioners, International organizations & thought leaders from Harvard, MIT & Yale have been growing in geometric progression in sync with our focus to be a research & innovation driven University.

Our faculties are excelling every day with increasing interdisciplinary industry led teaching, research citations, indexed journals, copyrights & patents and funded projects from UN, USAID and UKIERI that nurtured outcome based collaborations with Universities including Bristol, Surrey, Northampton, Sheffield, Kent, Winchester & Ulster.

Today, as you go out of Amity, full of knowledge and skills, be confident that you are our future leaders and much is expected from you. Always remember that Amity belongs to you and your name is associated with it for all times to come.

I wish you the best of everything in life and pray to Almighty to bless you to always strive to keep the Indian & Amity flag flying high while achieving personal & professional excellence.

Prof. (Dr.) Gurinder Singh

TECHNOLOGY TRANSFER

The Directorate of Innovation and Technology Transfer helps in interfacing Amity with Industries for commercialization. The technology transfer team identified about 30 Products/technologies for commercialization and mapped around 200 for commercialization of products & technologies.

NAME OF THE TECHNOLOGY/PRODUCT

1. Iodine based Finger print powder for developing Latent fingerprint
2. LPG Sensor
3. Herbal Mosquito Repellent
4. Rechargeable Fly Ash Battery
5. Herbal Colors
6. Biodegradable Plastic
7. Milk Adulteration Kit
8. Bioreactor for treating and removing organic pollutants & dyes from effluent of textile/ dyeing industry
9. Magic Fungus' ROOTONIC', a plant root based fungus developed at Amity, which has close to 'magical' benefits for crops
10. Nanomaterials for Dye Removal in Water

RECENT INNOVATIONS AT AMITY UNIVERSITY

ROOTONIC

- Plant Growth Promoter, Abiotic Stress Tolerance
- Biofertilizer, Bioregulator, Bioherbicide

AGRI-PHOTOVOLTAICS

- Combining Solar Photovoltaic Panels and Agriculture for Optimizing Land Use
- Generated electricity - Additional source of income
- Enhancing the efficiency of Solar Cells
-

BIODEGRADABLE PLASTICS

- PLA Free
- Cost effective
- Environment friendly
- Easy availability of raw materials

COOKING OIL QUALITY TESTING KIT

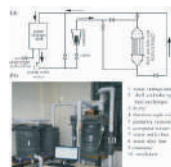

ULTRAFAST SOLAR RECHARGEABLE SMART HAND GLOVE PCM-NANOCOMPOSITE BASED HAND GLOVE

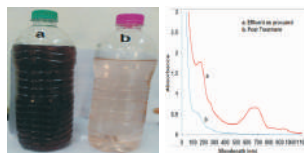

HOT WATER STORAGE TANK

For cold location using solar energy

NANOTECH FOR WASTE WATER TREATMENT

Treatment of Industrial Effluent as well as sludge using Advance Oxidation Processes and Nanotechnology

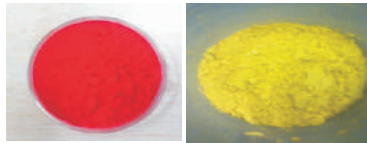

LPG SENSOR

An novel room temperature, low cost alarm based LPG Sensor

HERBAL COLOURS FOR FOOD AND COSMETIC INDUSTRY

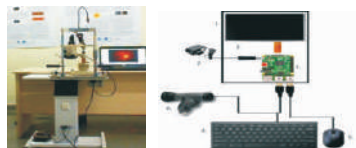

HERBAL MOSQUITO REPELLENT FORMULATION

MEDICAL IMAGE SEGMENTATION FOR RETINAL IMAGES

ORTHOTIC FOOT

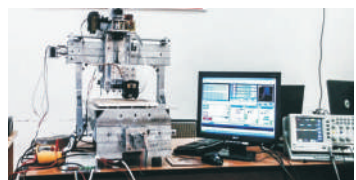

An Orthosis is an orthopedic appliance used to support, align, prevent, or correct deformities of a body part or to improve the function of moveable parts of the body

MASK-LESS / DIRECT-PRINTING PCB PROTOTYPING MACHINE

Output

REUSABLE WATER PURIFIER USING SILVER NANO EMBEDDED POROUS CONCRETE PEBBLES BASED ON GREEN TECHNOLOGY

MILK ADULTERATION TESTING KIT

Non-Hazardous

Cost effective

Chemical Free

Use-friendly

Portable

SELF -SUSTAINED SYSTEM FOR GENERATING ELECTRICITY WHILE WASTEWATER REMEDIATION

USING NANO-BASED SPONGE FOR EFFICIENT CLEANING OF INDUSTRIAL EFFLUENTS

Non-coated Coated Coated Control Coated

HERBAL PACKAGING TO REDUCE POST-HARVEST LOSSES

COVID-19 : RESEARCH INITIATIVES AT AMITY

- Global Research Network on Novel Viruses
- Technologies developed
 - Low cost portable ventilator
 - Low cost RT-PCR based portable POC Device for screening
 - Herbal Hand Sanitizer
 - Antimicrobial face mask using nanoparticle coating
 - CoronaX - Deep Convolutional Neural Network Model for Reliable Detection of SARS - Related Coronavirus
 - Nano-gold based Herbal Inhaler
 - Antimicrobial disinfectant using green technology
 - Virtual Screening of Sars Drugs for COVID-19

PATENTS GRANTED

Patent	Inventor's Name	Institution
A Nanomaterial based Culture Medium for Microbial Growth Enhancement	Varma, A., Jain, V.K., Suman, Prasad, R.	AIMT
Sensor for detecting Nitrogen Dioxide Gas	Saxena, K., Kumar, P., Jain, V.K.	AIARS
An Improved process for the production of Mucunapuriensis seeds extract	Joshi, D.D.	AIPP
Plant Biomass Nanomaterial Composite Based Electrode for the Removal of Industrial Dyes from Wastewater	Suman, Jain, N., Basniwal, R.K., Srivastava, A.K., Kumar, V.	AIARS
Process for the synthesis of Z 3- halo -2-styryl/vinyl chromones as therapeutic agents.	Bhatnagar, S.	AIB
Process for The Synthesis of E 3- Halo -2- Styryl/Vinyl Chromones As Therapeutic Agents	Bhatnagar, S., Kaushik, S., Sahai S.	AIB
Regiospecific oxidation of carbon-metal bonds of organometallic compounds using chiral iron (III)-salen complexes as catalyst	Mukherjee, M., Srivastava, A., Srivastava, A.K.	AIB
A low cost, disposable, ambient temperature colorimetric sensor array for detection and identification of eight toxic gases	Srivastava, R., Varma, A., Jain, V. K.	AIARS
Process for preparation of Iron (III) porphyrin catalyst immobilized on Dowex resin and its application thereof in biomimetic oxidation	Mukherjee, M.	AIB
Cement-Nano Composite coated pebbles based water purification system for Microbial Decontamination	Suman, Kumar, R., Punjabi, M., Jain, V.K.	AIARS
Standardized Method for extraction and purification of forskolin from the roots of Coleus forskohlii	Joshi, D. D.	AIPP
Polyphenol Enriched Antioxidant Nutraceutical Product as Adjuvant Therapy for Cancer Chemo -Prevention And Process For The Preparation Thereof	Prakash, D., Gupta, C., Kharkwal, H.	AIHRS
A sensor for Detecting. Air Leakage in Packed Items and Storage Plants	Jain, V. K., Suman, Vikesh, Kumar, P.	AIARS
A method for preparation of andrographolide from Andrographis paniculata	Joshi, D. D.	AIPP

PATENTS GRANTED

Patent	Inventor's Name	Institution
A process for the preparation of 3-substituted-2-9 phenyl ethyl chromones	Bhatnagar, S., Kaushik, S.	AIB
A process for the synthesis of semiconducting metal oxide nanoparticles of controlled size distribution	Basu, T.	AINT
Process for imparting or enhancing electrical conductivity of polymer matrix with semiconductor nanoparticles	Sinha, O.P.	AINT
Method for preparation of catalyst its activity and method for treatment of Textile wastewater	Chakravarti, S.	AINT
An Improved Method for Isolation and Purification of Lysergol from Ipomoea hederacea Seed	Joshi, D. D.	AIPP
Cancer chemoprevention nutraceuticals and process for the preparation thereof	Sharma, G., Srivastava, A. K.	AIB
Nano material, their method of production and application thereof	Prasad, R., Pande, J., Varma, A., Jain, V. K.	AIMT
A Process and method for standardized extract of With anisomnifera and pharmaceutical uses thereof	Joshi, D. D.	AIPP
Suspending agent from cassia species	Kharkwal, H.	AIMT
An improved method for Commercial Manufacturing of extract of 20% β -escin from Horse Chestnut	Joshi, D. D.	AIPP
A Process for Isolation and Purification of Curcuminoids From Curcuma Longa	Joshi, D. D.	AIPP
A Herbal Hair Oil - A novel hair nourishing anti dandruff herbal oil	Pushpangadan, P., George, V., Chauhan, A. K., Chauhan, A., Chauhan, A., Chauhan, A., Chauhan, A., Rajendran K., Anitha, K. I.	AIHBDP
A process to extract the bioactive component of curry leaf (Murray Koenigii)	Sinha, N., Singh, K., Srivastava, A. K.	AIB
A Composition and Method For Preparation of Water Soluble Extract of Defined Content of Kutkin Form Picrorrhiza Kaurva Rhizomes	Joshi, D. D.	AIPP

PATENTS GRANTED

Patent	Inventor's Name	Institution
Bilimbi wine-A novel hypocholesterolemic nutraceutical	George, V., Pushpangadan, P., Varma, A., Mohan, V., Prakash, D., Rao, C. V., Nautyal, C. S.	AIHBDP
Development of novel nanocomposites as chemical sensors using functionalized graphite nanoparticles and grafted polymers through chemical ligation	Singhal, P., Rattan, S., Mukherjee, M., Moses, J. E.	AIAS
Novel composition of biopolymers and a process for the preparation thereof	Kharkwal, H., Prakash, D., Pushpangadan, P., Gupta, C.	ACCR
An improved method for extraction of glycosides from Pineapple Peel	Joshi, D. D., Panthari, P.	AIPP
Novel formulation for NASH (nonalcoholic steatohepatitis)	Deepshikha	AIB
Shampoo for greasy and dry hair	Kharkwal, H., Deepshikha, Bala, K. K., Nainwal, N.	ACCR
A novel herbal formulation for wet and dry cough	Pushpangadan, P., George, V., Chauhan, A. K., Chauhan, A., Chauhan, A., Chauhan, A., Chauhan, A.	AIHBDP
A process for surface modification of fly ash for use as reflective agent	Tiwari, Sangeeta.	AIAS
Process for immobilization of alkaline phosphatase extracted from Azadirachta indica onto chlorinated-polyethylenimine (PEI) woven Bombyx mori silk fabrics	Sharma, K. R.	AIB
A novel fly ash based zeolitic extender pigment for use as anti-corrosive additive in paints	Tiwari, Sangeeta.	AIAS
A solvent tolerant bacterial lipase and its application thereof in food industry	Dahiya, P.	AIB
Kit for demonstrating DNA-protein interaction in Plants	Bhuvaneshwari, V., Paul, P. K.	AIB

PATENTS GRANTED

Patent	Inventor's Name	Institution
In situ genesis of silver nano in porous concrete pebbles using green technology for water purification	Nagpal, S., Jain, V. K.	AIARS
A formulation for the treatment of Arsenic toxicity	Allen, T., Singh, S., Sharma, C., Singh, D., Kothari, R.	AIB
A highly functional semiconductor integrated circuit device	Kumar, R.	AINT
A synergistic herbal composition for lowering blood glucose and blood cholesterol levels	George, V., Pushpangadan, P., Govindrajana, R., Vijayakumar, M., Chauhan, A. K., Chauhan, A., Chauhan, A., Rajendaran, K., Anitha, K. I.	AIHBPB
Novel effect of spices on demelanization of pathogenic fungus	Pooja, V., Bhatnagar, S., Sanwal, H., Srivastava, A.K.	AIB
Porphyrin functionalized carbon nanotube thin films as sensor for detection of nitrogen dioxide	Varma, A. L., Jain, N., Jain, V. K., Gaor, V., Kumar, P., Srivastava, A. K.	AIARS
Process for the synthesis of AA-dUTP-Cy3/Cy5- a novel fluorescent labeling agent.	Chaudhuri, P.	AIB
Synthesis of a novel analogue of sorafenib for the treatment of hepatocellular carcinoma	Katare, D. P., Kharkwal, H., Bala, K.	AIB
Development of cinnamon-cumin dual drug loaded poly (d,l-lactide-co-glycolide) coated polymeric nanoparticles for sustained release of anti-diabetic drugs	Sangal, A., Rattan, S.	AIAS
A fermented immuno-modulator beverage and process for the preparation thereof.	Gupta, C., Prakash, D.	AIHRS
An improved method for manufacturing extract with atleast 40% Stevioside from Stevia	Joshi, D. D.	AIPP
Development of reusable transducer matrix based on Nanostructured Polyaniline and application to biosensors	Basu, T., Chauhan, R., Deepsikha	AINT
A method for preparing the quercetin loaded nanoparticle	Katare, D. P., Bala, K., Kharkwal, H.	AIB

PATENTS GRANTED

Patent	Inventor's Name	Institution
Multiwalled carbon nanotube/cement composites-based sensors for smoke detection	Jain, V. K., Bhati, V., Vikesh	AIARS
Detection of Btx Vapors Based on Metal-Tetraphenylporphyrin Functionalized Carbon Nanotube Composite Sensors	Verma, A. L., Saxena, S.	AIAS
Graphene based chemical sensor for the detection of toxic heavy metal complexes in drinking water	Chakrabarti, S., Sinha, O. P., Mukherjee, M., Moses, J. E.	AINT
A modified medium for co-cultivation of sebacinales fungi with plants of lamiaceae family	Kharkwal, A. C., Dass, A., Varma, A.	AIMT
Tacrine-quercetin conjugates form for treatment of Alzheimer's disease	Katara, D. P., Sharma, P., Jakhmola, R., Bala, K.	AIB
Prolonged Release Mosquito Repellent Formulations	Bhattacharya, A.	AINT
P. indica obviates extreme temperature stresses	Varma, A., Jain, V. K., Prasad, S. R.	AIMT
Microwave mediated synthesis of an oxidizing agent for dyedegradation	Panda, B. L.	ASET
A novel pressure filtration unit and method of preparation thereof	Awasthi, G., Kulshreshtha, A.	AIB, LKO
Low cost and eco-friendly production of an electro-active polyaniline and binary metal dichalcogenide composite	Panda, V. L.	AIAS
Development of low cost, convenient and electroactive polyaniline-ceramic chalcogenide composites	Panda, B. L., Bansal, P.	AIAS
A method for preparation of novel and new nutrient for cultivation of Piriformosporandica	Arora, M., Kharkwal, A. C., Bains, K. S., Varma, A.	AIMT
Green synthesis of silver nanoparticles using Centrathurmanthelminticum plant tissue extract	Chandra, A., Mathur, R., Gautam, P.	AIP
A thermostable peroxidase from Bael [Aegle marmelos(Linn.) correa], and method of isolation thereof	Pandey, B., Tiwari, R. K., Divya, Iqbal, M. S., Sharma, D., Dwivedi, S., Kumar, D.	AIB-LKO

PATENTS GRANTED

Patent	Inventor's Name	Institution
Photochemical method for degradation of persistence pesticide	Jindal, T.	AIETSM
Composite polymer film based resistive humidity sensor	Singh, R. P., Joshi, M.	AINT
A formulation from emulsifying agent from native and derivatized grandis gum	Kharkwal, H.	AIMT
Biological Stabilization and Mineralization of Organic Kitchen Waste by Microbial Consortium	Singh, R., Saxena, R., Gupta, S.	AIMB
Development of a plant biomass-based metal sorption column with modified silica gel and the application thereof	Singh, R.	AIB
Development of improved disposable biostrips of activated woven silk fabric for testing pasteurized milk	Rani, K.	AIB
Herbal colour for cosmetic and food industry	Kharkwal, H., Joshi, D. D., Katare, D., Bala, K., Nainwal, N.	ACCR
Polyphenol enriched antimutagenic product from fruit pericarp of <i>Trapabispinosa</i>	Prakash, D., Gupta, C., Kharkwal, H.	AIHRS
Metalloporphyrin - Functionalized CNT Composite as Chemiresistive Sensor for Detection of Nitrobenzene and Chlorobenzene Vapors	Verma, A. L., Saxena, S., Rattan, S.	AIAS

FOCUS ON EMPLOYABILITY WITH RECORD JOB OFFERS

Leading companies prefer Amity for their on-campus recruitments. This achievement has been the result of a large team of the Amity Corporate Resource Centre that are involved in intensive interaction with corporates and facilitate students in career planning.

Today the Amity community of outstanding students has exceeded over 120,000 alumni worldwide, who are successfully pursuing their career in top organizations or have been selected for further studies by leading institutions such as Stanford, Columbia and California.

STUDENT DIVERSITY

- Over 2,200 students from over 40 countries such as USA, Canada, China, Italy, Egypt, Thailand, Qatar, Kuwait, Uganda, Nepal, Nigeria, Afghanistan, Iran, Oman, Bangladesh, Saudi Arabia, Bhutan, Australia, Bahrain, Congo, France, Guinea, Israel, Korea, Russia, Singapore, Turkey, United Arab Emirates, Uzbekistan, Yemen, Zambia, Cameroon, Chile, Côte d'Ivoire, Ethiopia, Gambia, Iceland, Indonesia, Ivory Coast, Kenya, Morocco, Mozambique, Pakistan, Sierra Leone, Sudan, Tanzania, Zimbabwe, are pursuing their studies at Amity Campuses.

STUDY ABROAD PROGRAM

- 2500 students from over 25 Institutions of Amity participated in the unique Study Abroad Program for an unparalleled International exposure at Amity campuses in London, Dubai, Singapore, Australia and USA.

3 CONTINENT PROGRAM

- Amity has pioneered in developing and initiating 3 Continent (3C) programmes in India. In this program, students gain a unique exposure through studying in 3 different continents namely Asia, Europe and America. While the initial semesters are completed at Amity University, as part of the program students spend 3 months in UK and 3 months in USA. This unique programme exposes them to different economies of the world, give them an understanding of different cultures, aims to form new and rewarding relationships to develop an invaluable network for all times to come. Industry visits is a key element embedded within the programme and foster better understanding of dynamic global work environment. The programme opens up hosts of opportunities and gives an edge over others while applying for further studies or gaining employment opportunities. Currently 165 students from 12 Amity Institutions are pursuing the 3 Continent programmes.

AMITY INDIA IMMERSION PROGRAM

- Amity has introduced Amity India Immersion Program (AIIP)- a unique program, aimed at overseas students and faculty members of our partner global universities to gain an insight into India and the Indian way of life. The program centers on the special qualities, which are uniquely Indian, and includes exposure to Indian heritage and culture, traditions and traditional wisdom, Indian spiritualism, the Indian nation and its people, religion, technology and development to name a few. Till now, a total of 67 students and 5 faculty members from Italy and UK have participated in this programme.
- Further more than 270 students from various Universities from France, USA, UK, Čanada, Korea, Italy, Australia, Israel and Japan have also visited Amity campuses for short duration.

GLOBAL STUDY PROGRAMS

Global Study Programs (GSPs) are unique international lateral transfer programs offered by Amity, where the students spend one or two years at Amity in India and the balance number of years of the degree at a University of their choice abroad. The final award of degree is from the Foreign University at a fraction of the cost compared to studying for the entire duration abroad. With an enriched curriculum, regular interactive sessions by foreign faculty, end to end mentoring and opportunity to gain work experience abroad, attractive scholarships, and the excellent Foreign Partner Universities within the Amity network, Global Study Programs are a league apart and geared towards transforming the education pathways of students across all domains. .

CONVOCATION CEREMONY OVER THE YEARS

Awardees of Honorary Doctoral Degree

Dr. Renu Khator

Chancellor, University of Houston System, USA;
President, University of Houston

Dr. Renu Khator is the Chancellor of the University of Houston System, and the President of the University of Houston. She is the first foreign-born president of the University and only the second woman to hold the position. Dr. Khator also has the distinction of being the first Indian American to lead a major research university in the United States.

Under the leadership of Dr. Khator, the University of Houston was elevated to Tier One Status, was awarded a Phi Beta Kappa chapter, established a College of Medicine and has experienced record breaking multibillion dollar fundraising.

Born in Uttar Pradesh, Dr. Khator earned her Bachelor's degree from Kanpur University and her Masters and Ph.D degrees in Political Science and Public Administration from Purdue University, USA. Prior to her appointment at the University of Houston in 2008, Dr. Khator was provost and Senior Vice President at the University of South Florida, capping a 22-year career at that institution.

Dr. Khator has been the former Chair of the American Council on Education as well as a member of the Indian Prime Minister's Global Advisory Council to name a few. She was recently elected to the prestigious American Academy of Arts and Sciences and has received many awards including the Pravasi Bharatiya Samman from the President of India, the highest honor given to overseas Indians.

Dr. Renu Khator is an inspiration and an iconic role model worthy of emulation, who has forged her exceptional success by overcoming all challenges, inspiring diverse people around her, and by always keeping the good of the community, at the heart of all of her efforts.

Awardees of Honorary Doctoral Degree

Dr. Siva Kumari

Director General,
International Baccalaureate Organisation

Dr. Siva Kumari is the Director General of the International Baccalaureate Organisation which has accredited over 5000 IB schools in over 150 Countries. In the IB's 52-year history she is only the 7th Director General and the first woman to hold the post.

At the International Baccalaureate, Dr. Kumari's contributions to the IB mission have been remarkable.

Dr. Siva Kumari joined the IB in 2009 as Regional Director for Asia-Pacific. In 2010, she was named the first Chief Operating Officer of the IB located in the USA, responsible for IB regions worldwide. In this role, she led a global team responsible for authorization and evaluation of schools, professional development, research including programme validation and programme impact studies and university recognition.

Prior to joining the IB, Dr. Siva Kumari was at Rice University, USA as the first Associate Provost. Here she oversaw Rice University's outreach efforts in the K to 12 domain. She also served as Associate Dean and Executive Director of Programs in the School of Continuing Studies, where she grew the university's teacher development programmes into the largest in the USA.

Always an outstanding scholar, Dr. Kumari, after earning a Bachelor of Science degree from India, earned her Master's degree from the University of Cincinnati, USA, and Doctorate in Education from the University of Houston, Texas, USA. She was awarded "outstanding doctoral student" for her pioneering work studying pedagogical practices of higher education faculty in online education.

Dr. Kumari has diligently served on many local, national and international professional advisory boards and committees. She has regularly published high quality papers and has been on the editorial boards of leading professional journals. For her outstanding and pioneering work, she has received several notable awards such as the Professional Continuing Educator Award and Outstanding Continuing Educator of the Year award.

Dr. Siva Kumari is an inspiration, an icon and a far-sighted leader, who has contributed immensely to the global education landscape and dedicated her life towards shaping the future of international education.

Awardees of Honorary Doctoral Degree

Prof. Rattan Lal

Distinguished University Professor, Ohio State University, USA
Recipient of the World Food Prize -2020

Prof. Rattan Lal is one of the world's leading Soil Scientists and the 2020 recipient of the World Food Prize, which is the Nobel Prize equivalent in this field.

Prof. Rattan Lal is the Distinguished University Professor and Founding Director of the Carbon Management and Sequestration Center at Ohio State University, USA. An Indian-American Soil Scientist, Prof. Lal is recognized for his expertise in his specialisms that include his research focus on Climate-resilient Agriculture, Soil Carbon Sequestration, Sustainable Intensification, enhancing use efficiency of Agroecosystems, Sustainable Management of soils of the tropics and soil health.

His pioneering research in restoration of the soil health in Asia, Africa and Latin America led to revelations that impacted agricultural yields, natural resource conservation and climate change mitigation. The agricultural practices advocated by Prof. Lal are now at the heart of efforts to improve agriculture systems in the tropics and globally as well.

During his association with International Institute of Tropical Agriculture (IITA), Nigeria, he travelled extensively all over the world studying tropical soils and addressed the issues of soil erosion and soil degradation in sub-saharan Africa and promoted land use and soil management practices tailored to each region of the world.

At Ohio State University, USA, he has mentored large number of graduate students, post doctoral Researchers, Research Scientists, Associates and hosted hundreds of Visiting Scholars, who all became Soil Ambassadors working to restore the health of world's soils.

His research has impacted more than one-third of the planet's land area and almost over 40% of the world's population affected by land degradation.

Prof. Lal is also one of the most prolific agricultural scientists with more than 100,000 citations of his vast corpus of published work. As a prolific writer, he has authored and co-authored over 2,000 high value research publications. He has also written 22 books and edited many more.

He has been honoured with the Japan Prize for the Sustainable Soil Management for Global Food Security and mitigation of climate change, Glinka World Soil Prize 2018, Borlaug Award and Von Liebig Award, to name a few.

Prof. Rattan Lal is an iconic luminary of scientific knowledge and learning. An embodiment of humility, graciousness and generosity, his exceptional life and deeds are worthy of emulation.
