## Part – I: General Information

### 1.1 Date of notification of the Centre (attach a copy of the notification):

[Notification](#)

### 1.2 Details of Director, CIQA

- Name : Dr. Priya Mary Mathew
- Qualification: PhD.
- Appointment Letter and Joining Report: Upload (PDF) [Appointment Letter](#), [Joining Report](#)

### 1.3 Details of CIQA Committee:

#### a. Composition as per Regulations

S.No	Designation	Nomination s as	Name & Qualification	Specialization	Date of Nomination in CIQA Committee
a	Vice Chancellor	Chairperson	Prof.(Dr.) Balvinder Shukla, PhD.	Management	6 July 2020
b	3 senior teachers of HEI	Member 1	Prof. Abhinash Kumar, MA, MBA	Management	6 July 2020
		Member 2	Dr. Coral Barboza, PhD.	Management	6 July 2020
		Member 3	Dr. Divya Bansal, PhD.	Management	6 July 2020
		Member 4	Dr. Monica Rose, PhD.	Management	6 July 2020
c	Head of 3 dept from which program is being offered in OL	Member 4	Dr. Sanjeev Bansal, PhD.	Management	6 July 2020
		Member 5	Dr. Nirupama Prakash, PhD.	Social Science	6 July 2020
		Member 6	Dr. Rekha Agarwal, PhD.	Information Technology	6 July 2020
d	2 External experts in Online Education	Member 7	Prof. Aindril De, MA		6 July 2020
		Member 8	Dr. Ashish Srivastava, PhD.		6 July 2020
e	Officials from dept of administration,	Member 9	Kunwar Rajeshwari S Thakur, MBA		6 July 2020
		Member 10	Ms. Rita Naskar, MBA		6 July 2020
	Finance	Member 11	Ms. Gurinder Kaur , MA		6 July 2020
f	Director CIQA	Member Secretary	Dr. R.S. Rai, PhD.		6 July 2020

- b. Whether members mentioned at 'b' to 'e' changed every 2 years? (Y/N) Y  
If No, reason thereof

**1.4 Number of meetings held and its approval:****a. No. of meetings held every year: 02****b. Meeting details:**

Meetings	Date-Month-Year	No. of External Expert Present	Minutes	Approval of Minutes
Meeting 1	15 July 2020	2	<a href="#">Upload</a>	20 July 2020
Meeting 2	17 Feb 2021	2	<a href="#">Upload</a>	19 Feb 2021

**1.5 Number of programmes started at Certificate level as per Regulation 24 of UGC(ODL Programmes and Online Programmes) Regulations, 2020:**

From &lt;Month, Year&gt; academic session:

Sr. No.	Name of the Department	Certificate Title	Duration (months)	No. of Credits	Admission Eligibility	Fee (Rs.)	Approval of statutory Authority (s) (DD-MM-YYYY) of HEI/Regulatory authority (if required)	Number of students admitted (Male/Female/Trans-gender)			
								M	F	T G	Total
1.	NIL										

**Note: Mention details separately for <Month, Year>academic session, as applicable, as above.**

### 1.6 Number of programmes started at Diploma level as per Regulation 24 of UGC(ODL Programmes and Online Programmes) Regulations, 2020:

From <Month, Year> academic session:

Sr. No.	Name of the Department	Diploma Title	Duration (months)	No. of Credits	Admission Eligibility	Fee (Rs.)	Approval of statutory Authority (s) (DD-MM-YYYY) of HEI/Regulatory authority(if required)	Number of students admitted (Male/Female/Trans-gender)			
								M	F	TG	Total
1.	NIL										

**Note: Mention details separately for <Month, Year>academic session, as applicable, as above.**

### 1.7 Number of programmes started at Post Graduate Diploma level as per Commission Order:

From <July, 2020>2020-21: TO BE EXTRACTED FROM WEBPORTAL

## Part – II: Requirements as per Centre for Internal Quality Assurance (CIQA) Functioning

### 2.1 Action taken on the functions of CIQA:-

S. No.	Provisions in Regulations	Details of Action taken by CIQA and Outcomethereof (Not more than 500 words)	Upload Relevant Document
1.	Quality maintained in the services provided to the learners	<p>Complete online hassle-free admission.</p> <p>Provision for online payments.</p> <p>Facilitating the students with the soft copy of the self-learning material also which is available in the LMS.</p> <p>Use of student portal for forwarding the student queries received through various modes such as SMS, email, phone call etc. to make an easy query flow and provide resolutions accordingly.</p> <p>Continuous revision of syllabus.</p> <p>Virtual Live sessions for each modules.</p> <p>Organizing PCP classes and collecting feedback at the end of each session.</p> <p>Complete online examination which caters to the need of the working professional also using the provision of remote proctoring examination.</p> <p>Adding value-added courses in the syllabus.</p> <p>Academic and Professional enhancement workshops / special orientation sessions are conducted in online</p>	

**HEI ID:****Name of HEI:****Type of HEI:**

		mode to facilitate more participation.	
2.	Self-evaluative and reflective exercises undertaken for continual quality improvement in all the systems and processes of the Higher Educational Institution	<p>Amity University Online takes great pride in its comprehensive learning approach, providing students with a well-structured system of assessment that ensures a thorough understanding of the subjects at hand. This system begins with the "Test for Your Understanding" after every subtopic, consisting of two multiple-choice questions (MCQs) per topic. This meticulous arrangement results in approximately 100-150 questions per course, meticulously designed to gauge students' comprehension of the concepts covered.</p> <p>The "Test for Your Understanding" plays a vital role in the learning journey of our students. By evaluating their understanding at regular intervals, we ensure that they grasp the essence of each subtopic. This assessment method also encourages active engagement, reinforcing the knowledge acquired and fostering a deep comprehension of the subject matter. Moreover, it empowers students to identify areas of improvement and seek further clarification if needed, creating a dynamic learning environment.</p> <p>In addition to the continuous "Test for Your Understanding," our students undertake internal assessments at the end of each module. These assessments are mandatory and play a significant role in evaluating their progress. The internal assessment is thoughtfully constructed, adhering to the principles of Bloom's Taxonomy, a renowned educational framework. By incorporating this taxonomy, we ensure that the assessment aligns with various cognitive levels, promoting higher-order thinking skills and a holistic understanding of the subject matter.</p> <p>The internal assessment comprises a series of carefully designed MCQs, categorized into three levels of difficulty: easy, medium, and difficult. Students are presented with 11 easy MCQs, 5 medium difficulty questions, and 3 challenging ones. This balanced distribution allows for a comprehensive evaluation of their knowledge and skills across different levels of complexity. It also encourages students to delve deeper into the subject</p>	

**HEI ID:****Name of HEI:****Type of HEI:**

		<p>matter, demonstrating their ability to analyze and apply the concepts learned.</p> <p>Furthermore, as students' progress through their courses, they encounter a compelling case study towards the end. This case study serves as a culmination of their learning journey, integrating various aspects of the course content and real-world applications. By engaging with this practical scenario, students are challenged to think critically, draw connections between theoretical concepts and practical situations, and propose well-reasoned solutions.</p> <p>Following the case study, students face five MCQs that further consolidate their understanding. These questions are thoughtfully crafted to assess their ability to apply the knowledge gained throughout the course. By encompassing the breadth and depth of the subject matter, these final MCQs serve as a comprehensive assessment, allowing students to showcase their mastery of the course material.</p> <p>Amity University Online's system of assessment provides students with a robust framework for learning and evaluation. It ensures that they comprehend the concepts thoroughly, fosters critical thinking, and prepares them for real-world challenges. By combining continuous assessments, Bloom's Taxonomy-aligned internal assessments, and a culminating case study, we empower our students to excel academically and apply their knowledge effectively. Through this comprehensive approach, we strive to nurture well-rounded individuals capable of making meaningful contributions to their chosen fields.</p>	
3.	Contribution in the identification of the key areas in which Higher Educational Institution should maintain quality	<p>The key areas which require continuous review are:</p> <ul style="list-style-type: none"><li>Study material</li><li>Scheme and syllabus</li><li>Grievance handling</li><li>Learning Management System platform</li><li>Examination system</li><li>Online support</li><li>Academic delivery</li><li>Student career support</li></ul>	

**HEI ID:****Name of HEI:****Type of HEI:**

4.	Mechanism devised to ensure that the quality of Online programmes matches with the quality of relevant programmes in conventional mode (For Dual Mode HEIs)	Amity has a robust system to ensure quality of the academic programmes. Most of the academic committees are aligned with the regular institution like Board of Studies, Academic Advisory Council etc. All the committees are constituted under the strict guidance of the apex body of the University. The syllabus are completely matched with the conventional institute. The pattern of the examination follows the same as that of regular examination. The examination is guided and controlled by the CoE of the university and thus the consistency is maintained.	
5.	Mechanisms devised for interaction with and obtaining feedback from all stakeholders namely, learners, teachers, staff, parents, society, employers, and Government for quality improvement.	There are various mechanisms that are available for interaction and obtaining feedback on academics and administrative activities, facilities, resources etc. Feedback forms are available in the Learning Management system which are taken at the end of each semester about the course and the faculty. An online feedback form is also available in the students portal which focuses on each aspects of their academic journey. Feedback is also taken from the alumni. We also have 'Ask your Professor' online option which encourages the students to interact with their Professors on personal interaction and feedback.	
6.	Measures suggested to the authorities of Higher Educational Institution for qualitative improvement	Every academic and administrative processes are reviewed and measures for improving their quality and effectiveness are taken: The IQAC monitors the various process minutely and ensures the implementation of the requisite improvement measures. Various mechanisms are in place for interaction with the students through feedback on academic and administrative activities, facilities, resources, etc. Review of programmes, schemes, syllabi etc. is made as per the recommendations of the Board of Studies and approval by the Academic Council. Grievance handling mechanism with multiple communication channels for students is in place to resolve their various issues and grievances.	
7.	Implementation of its recommendations through periodic reviews	Periodic follow-up, inspections and audits are conducted to monitor and ensure that the recommendations are implemented effectively and to take suitable remedial actions, if required. The BoS of each programme recommends various academic, Finance Committee and other committees' recommendations, which are placed before the	

**HEI ID:****Name of HEI:****Type of HEI:**

		Executive Committee for approval / ratification.	
8.	Workshops/ seminars/ symposium organized on quality related themes, ensure participation of all stakeholders, and disseminate the reports of such activities among all the stakeholders in Higher Educational Institution.	Regular skillify sessions are arranged for short talk on the topic of interdisciplinary subjects. The aim of this interaction is to provide students and listeners with the opportunity to introduce new trends/ addition to the world of knowledge. Periodical webinar sessions are organized on a broad interdisciplinary topic by the departmental resource persons. Other institutional resource persons are also invited for interdisciplinary topics with a focus on academic and industrial exposure. Apart from this resource persons are also managing with outreach program for lecture, seminar, and conferences all over the country.	
9.	Developed and collated best practices in all areas leading to quality enhancement in services to the learners and disseminate the same all concerned in Higher Educational Institution	Regular BOS practices are held in terms of discussion and verification for the update in the program scheme. Advice and remarks received are incorporated in the syllabus both theory and practical. Faculty Development programs are periodically conducted by Amity Staff College for the internal faculty members for skill enhancement and academic refreshment. Teaching standards and lecture structure are being articulated with the help of academic experts and percolated through the practice of the teachers. Feedback and evaluation session are also maintained. Teachers are encouraged to take participation in refresher courses in terms of betterment in the teaching as well as broaden their knowledge horizon in their respective ground. Regular audits are being conducted by the QAE department of the University.	
10	Collected, collated and disseminated accurate, complete and reliable statistics about the quality of the programme(s).	Feedback on programme quality and other activities, processes of Amity is taken from the learners through different ways and requisite quality improvements and enhancement measures are taken on the basis of feedback analysis. The relevant information so decided are disseminated to the learners through different communicating means like Prospectus, Website, Newsletter, announcements on various platforms etc. The LMS plays an important role in dissemination critical information and analyzing the feedback of the learners.	

HEI ID:	Name of HEI:	Type of HEI:
11	Measures taken to ensure that Programme Project Report for each programme is according to the norms and guidelines prescribed by the Commission and wherever necessary by the appropriate regulatory authority having control over the programme	The PPR is prepared following the 'Guidelines on programme Project Report'-as per UGC Regulations, by the respective School of Studies which is placed before the CIQA meeting for its approval. The minutes of the CIQA meeting is then placed before the statutory committee for final approval. The entire academic process to ensure quality is done under the supervision of respective Board of Studies (BoS). The BoS comprises both internal faculty and external subject experts. The BoS periodically review the syllabus and also the course content as a part of the academic audit.
12.	Mechanism to ensure the proper implementation of Programme Project Reports	Amity University's approach to education is aimed at providing students with high-quality learning opportunities that meet the demands of the industry. The process of developing new academic programs at the university involves a rigorous approval process that requires authorization from the School Board and the Academic Council, the highest academic authorities within the university. The curriculum and assessment process at Amity is outcome-based, with a focus on industry-centric curriculum and ensuring high levels of learning for all students. The university employs a comprehensive program review process to evaluate the effectiveness of its programs and ensure consistency with its mission. Each course at Amity is designed around specific objectives, and various assessment methods are used by departments to analyze learner output and ensure alignment with the assigned objectives. Finally, the annual assessment of learning outcomes serves as a crucial tool in identifying gaps and formulating action plans for program improvement. In addition, a dedicated program managers are appointed to ensure proper implementation of PPR.
13.	Maintenance of record of Annual Plans and Annual Reports of Higher Educational Institution, review them periodically and generate actionable reports.	To manage the maintenance of records of Annual Plans and Annual Reports ADDOE follows a systematic and organized approach. A few important steps considered in this area are as follows:  Developing a clear and consistent file structure to store all documents associated with Annual Plans and Annual Reports. Ensure that the file naming conventions are easy to understand and follow a standardized format.

**HEI ID:****Name of HEI:****Type of HEI:**

		<p>Roles and responsibilities have been allocated to team members for maintaining and reviewing records. Assign a manager to oversee the entire process and ensure that they have adequate knowledge of the Annual Plans and Reports. We review the documents for accuracy, completeness, and compliance periodically to identify trends and areas of strength and weakness and take corrective measures where necessary.</p> <p>CIQA Create reports based on the review findings and share them with relevant stakeholders. These reports can highlight areas that need attention and helps to make informed decisions about Overall performance of the program.</p>	
14.	Inputs provided to the Higher Educations Institution for restructuring of programmes in order to make them relevant to the job market.	Board of Studies are thus comprised of external subject expert, relevant industry expert, senior professor for their inputs to contribute their expert view for any indication to change the syllabus/program structure. Valid inputs are taken on highest priority & accordingly the syllabus/course structure are modified in order to make it industry ready program. MoM is maintained for the same purpose for record.	
15.	Facilitated system based research on ways of creating learner centric environment and to bring about qualitative change in the entire system.	Amity Online invests heavily in student centric learning and inculcates unique and innovative ways to enhance their teaching learning experience. To ensure this, content and pedagogy across the disciplines are designed to develop research-based skills in students. Amity Online prides itself in promoting interdisciplinary research and industry-academia collaborations to benefit student and help them hone their skills through training and experiential learning.	
16.	Steps taken as a nodal coordinating unit for seeking assessment and accreditation from a designated body for accreditation such as NAAC etc.	As and when required the desired documents are submitted to concerned regulatory authorities that is UGC, AICTE, NAAC, WASC. So far, Amity University Online is updated with all approvals and accreditation.	

**HEI ID:****Name of HEI:****Type of HEI:**

17.	Measures adopted to ensure internalization and Institutionalization of quality enhancement practices through periodic accreditation and audit	<p>Amity University, Directorate of Distance and Online Education have measures in place to ensure quality enhancement in all areas. With a focus on continuous improvement, CIQA conducts self-assessments and audits for upgrading facilities and improving the quality of education. All these measures have contributed to the growth and development of the Online Education System at Amity University. There are measures in place to ensure quality enhancement practices are internalized and institutionalized. This is done through periodic compliance and audit processes. Here institutions meet specific standards and the education they provide is of high quality. With the rise of online education, it is important to ensure that these standards are met.</p> <p>University Academic Council is the apex body of the University, Academic council is responsible to evaluate institutions based on various criteria, including teaching, learning and evaluation, research and innovation, governance, and societal and outreach activities. The quality assurance process involves a peer review, where experts in the field evaluate the institution and make recommendations for improvement.</p> <p>In addition to regulatory compliance, there are also periodic audits to ensure that standards are maintained. These audits look at various aspects of the institution, including policies, procedures, and practices. We also look at the outcomes of the education provided by the University, such as employment rates and further education opportunities for students.</p> <p>Overall, these measures ensure that the institution is providing high-quality online education and that they are meeting the necessary standards. By doing so, students can be confident that they are receiving a valuable education that will prepare them for their future endeavors.</p>	
18.	Steps taken to coordinate between Higher Educational Institution and the Commission for various quality related initiatives or	We have periodic internal audits through our IQAC, followed by University QAE. Basis the report, the department submit desired information to concerned regulatory authority.	

**HEI ID:****Name of HEI:****Type of HEI:**

	guidelines		
19.	Information obtained from other Higher Educational Institutions on various quality benchmarks or parameters and best practices.	Best Practices for Teaching and Learning integrates the wealth of institutional knowledge with current educational research. This resource offers research-based strategies for helping students learn in all grade levels and content areas. Three Essential Areas of Best Practices for Teaching and Learning are being catered in the University as a central focus: create a student-centered learning environment; examine how physical set-up and teacher role affects student expectations and build relationships that promote a safe and positive environment in which students are responsible, self-motivated, and self-evaluating. For the same we plan assignments and assessments in alignment with standards of learning. Purposefully plan to adjust teaching practices to meet the needs of individual students. Employ teaching strategies, techniques, and resources that meet the needs of all students. Be responsive to the variety of ways students demonstrate thinking and learning. For assess student learning and progress we adapt teaching, based on evidence, to meet the needs of the student and check student progress in meeting standards and learning goals. Actively involve students in assessment to promote continuous learning; and inform students, parents, and others about student achievement. However, we strongly follow the leading Online education provider and adopt the best practices. We consistently do the research for the above activities.	
20.	Recorded activities undertaken on quality assurance in the form of an annual report of Centre for Internal Quality Assurance.	Following activities have been undertaken on quality assurance : Guest lectures, skill development sessions, Workshops, seminars, webinars, FDP, MDP and academic meets are organized with all calendar scheduled semesters	

**HEI ID:****Name of HEI:****Type of HEI:**

21.	(a) Submitted Annual Reports to the Statutory Authorities or Bodies of the Higher Educational institution about its activities at the end of each academic session.	Annual Reports are prepared and submitted to the Statutory Authorities or Bodies of the Higher Educational institution about its activities at the end of each academic session. Documents are also maintained in the office of the department.	
	(b) Submitted a copy of report in the format as specified by the Commission, duly approved by the statutory authorities of the Higher Educational Institution annually to the Commission.	Complied program reports are prepared and submitted a copy of report in the format as specified by the Commission, duly approved by the statutory authorities of the Higher Educational Institution annually to the Commission. Documents are also maintained in the office of the department.	
22.	Overseen the functioning of Centre for Internal Quality Assurance and approve the reports generated by Centre for Internal Quality Assurance on the effectiveness of quality assurance systems and Processes	<p>To oversee the overall functioning of the Centre for Internal Quality Assurance in we follow these measures:</p> <ul style="list-style-type: none"> <li>- Create a committee of experts to review reports generated by the CIQA.</li> <li>- Ensure that the CIQA follows the guidelines set by regulatory and accreditation agencies.</li> <li>- Provide regular training sessions to the Centre's staff to keep them updated on the latest quality-enhancement practices.</li> <li>- Analyze the Centre's reports and give feedback for improvement.</li> </ul> <p>To ensure the internalization and institutionalization of quality enhancement practices, we take measures like:</p> <ul style="list-style-type: none"> <li>- Incorporate quality enhancement practices into the University's policies and procedures.</li> <li>- Hold regular training sessions for faculty and staff to keep them informed about the University's quality assurance system.</li> <li>- Use student feedback to improve the quality of teaching and learning.</li> </ul>	

**HEI ID:****Name of HEI:****Type of HEI:**

		<p>To enhance accreditation and audit, University takes these measures:</p> <ul style="list-style-type: none"> <li>- Develop a strong quality assurance system to meet all compliance and quality standards.</li> <li>- Regularly monitor and evaluate the quality assurance system to ensure it is effective.</li> <li>- Encourage faculty and staff to participate in accreditation and audit processes.</li> </ul> <p>By implementing these measures, the Centre for Internal Quality Assurance in the Amity Directorate of Distance and Online Education functions effectively, and reports generated by the Centre are reviewed and implemented holistically.</p> <p><b>MACRO PROCESS FOR INTERNATIONALISATION</b> Comprehensive excellence in research, teaching academic staff, facilities, communications leadership, and governance.</p> <p><b>Global Brand Penetration</b> This means widespread public recognition around the world. To begin with, Amity should aim at being acknowledged as “Global” by the international academic peers and national policymakers. Acknowledgment as “Global” by the general public.</p> <p><b>Innovative Global Research.</b> The global dimension of research entails marshalling of university’s huge intellectual and logistical resources to address global problems and questions in new ways.</p> <p><b>An International Curriculum.</b> This curriculum should be such that our students are prepared for the globalised world. As a global university Amity should be able to distribute its educational material and programmes globally.</p> <p><b>Strong and Diverse International Student and Staff Demand.</b> The academic staff must include experienced faculties from other countries. The student body must also be diverse and international.</p>	
23.	Facilitated adoption of instructional design requirements as per the philosophy of the Online learning decided by the statutory bodies of the HEI for its different academic programmes	It is our belief that online education can be one of the most exciting and challenging fields at any institution of higher education. To be successful in developing content meaningful for the students, faculty, and staff, one is required to possess three strong attributes: technological mastery, strong communication ability, and development expertise within learning environments. Technological mastery envelops more than just knowledge of the present hardware and software. It requires the ability to seek new technologies, which will assist and advance the student, faculty, and institutional goals. It also	

**HEI ID:****Name of HEI:****Type of HEI:**

		<p>involves the ability to evaluate appropriate technologies and decide upon their relevance and value to those goals. Actively seeking technology and information keeps an institution at the highest academic level. The active peer relationships that we currently possess and actively seek to develop in the future allow us the ability to see what other institutions implement and make sure to meet or stay ahead of all technical trends. The ability to communicate effectively is the most important attribute to success in any environment. The ability to clearly state issues and systematic resolutions to students and faculty alike improves their attitude toward the institution. Communication of current activities and future endeavors keeps the university community focused and encourages buy-in to the institutional goals. It gives the faculty, students, and staff a feeling of support and belonging to the institution and aids in student retention.</p>	
24.	Promoted automation of learner support services of the Higher Educational Institution	<p>Learner support services are the most vital component of any online learning system. University analyzes the aim of learner support services, various categories of learner support services, how far Amity University is providing interactive support services to its learners, staff responsibility for providing the services, ICT facilities and monitoring mechanism to ensure effective student support services. With the advancement in information and communication technologies, heterogeneous and diverse learners groups who are geographically scattered and having increasing expectations from all concerned, necessitate effective support services to ensure proper guidance and learning conditions. Learner support service include not only availability of high-quality academic programmes, but also ensure that the students receive their study material &amp; e-material in time, assignments are assessed and evaluated within the stipulated time frame and provided academic guidance is provided. The use of ICT and other technology, i.e. virtual classroom, video and remote proctored examination etc. also improves the support service of the university. The efficiency of the delivery system will greatly depend not only on efficient modes of providing services but also on the staff of the university.</p>	

HEI ID:	Name of HEI:	Type of HEI:
25.	Coordinated with external subject experts or agencies or organisations, the activities pertaining to validation and annual review of its in-house processes	At Amity while there is strong pool of faculty supporting to various subject matters. This includes all activities required under the academic deliverance. As per the guidelines of concerned regulatory body certain activities are also undertaken by external experts. Primarily, all critical activities are undertaken by internal faculty of Amity University Online.
26.	Coordinated with third party auditing bodies for quality audit of programme(s)	The internal audits are undertaken by internal IQAC department of Amity Online. The reports are then being sent to QAE, the quality Assurance department of Amity University Uttar Pradesh. The QAE department of Amity University then coordinates with the third party for quality audit.
27.	Overseen the preparation of Self- Appraisal Report to be submitted to the Assessment and Accreditation agencies on behalf of Higher Educational Institution	The Self Appraisal Report is prepared in accordance with the requirement of the accreditation body with due diligence. These are submitted annually to the concerned assessment and accreditation agency.
28.	Promoted collaboration and association for quality enhancement of Online mode of education and research therein	Amity to ensure quality online education, has collaborated with relevant organizations to adhere quality enhancement for the learners.
29.	Facilitated industry-institution linkage for providing exposure to the learners and enhancing their employability.	Amity Online has a very strong industry base databank. While most of the programs being offered by Amity Online are industry centric. The close interface within industry in terms of various activities like expert talk, summer placement, virtual job fair, mentor-mentee concept has enabled a very strong networking in industries and thus created possibility of employability. Overall, an industry linkage program with a University, fosters a symbiotic relationship between academia and industry, driving innovation, economic growth and addressing real world challenges through collaborative efforts.

## 2.2 Compliance of Quality Monitoring Mechanism – As per Annexure-I (Part V (2))

**HEI ID:****Name of HEI:****Type of HEI:****of UGC (ODL Programmes and Online Programmes) Regulations, 2020 :**

<b>Sr. No.</b>	<b>Provisions in Regulations</b>	<b>Action taken in respect of online programmes</b>	<b>Upload relevant document</b>
1.	<p>Governance, Leadership and Management:</p> <p>a. Organisation Structure and Governance</p> <p>b. Management</p> <p>c. Strategic Planning</p> <p>d. Operational Plan, Goals and Policies</p>	<p>In the context of online education, Amity has taken various actions in the areas of governance, leadership, management, organizational structure, strategic planning, and operational planning:</p> <p><b>Governance, Leadership, and Management:</b></p> <p>a. We have established a clear governance framework that defines roles, responsibilities, and decision-making processes in the department.</p> <p>b. Appointment of qualified and experienced staff who understand online education's challenges and opportunities.</p> <p>c. We have developed effective communication channels between leadership, faculty, staff, and students to foster collaboration and transparency.</p> <p>d. Professional development opportunities are provided program team to enhance their skills in online education management.</p> <p>Organizational Structure and Governance: a. Organizational structure has been designed to supports the specific needs of online learners and impart quality education, including dedicated teams for curriculum development, instructional design, technology support, and student services. Amity ensures clear lines of authority, reporting, and accountability within the organizational structure. . committees has been established to address online education-specific issues and ensure representation from relevant stakeholders. Regular review and updation of governance policies and procedures to adapt to changing trends and best practices in online education in India.</p> <p>Strategic Planning: Amity Directorate of Distance and Online Education's strategic plan outlines the vision, mission, and goals of the online education university.</p> <p>b. Conduct a comprehensive analysis of the online education landscape, including market trends, competition, and student needs. Strategic priorities and initiatives are defined to enhance the quality,</p>	

**HEI ID:****Name of HEI:****Type of HEI:**

		<p>accessibility, and affordability of online education offerings. d. Establish key performance indicators (KPIs) and metrics to measure progress towards strategic goals. We regularly review and update the strategic plan to align with emerging technologies, pedagogical approaches, and industry demands.</p> <p>Operational Plan, Goals, and Policies: ADDOE's operational plan translates the strategic goals into actionable steps and timelines. Set specific and measurable goals for online program development, student enrollment, retention, and student satisfaction has been set. c. Policies and procedures have been developed that address online education-specific considerations, such as faculty recruitment and training, course design and development, student support services, and assessment and evaluation. We continuously monitor and evaluate operational performance against established goals and policies, and make necessary adjustments as needed.</p>	
2.	Articulation of Higher Educational Institution Objectives	<p>Amity University Objectives :</p> <ol style="list-style-type: none"><li>1. Academic Excellence : University strives for the uncompromising quality and highest standard of excellence in teaching, learning, research, and scholarship across various disciplines.</li><li>2. Integrity &amp; Ethics : University upholds the highest ethical values, integrity and professionalism and an unwavering commitment to academic freedom, transparency, and accountability.</li><li>3. Diversity &amp; Mutual Respect : University nurtures an environment of safety, trust &amp; mutual respect and embeds equality &amp; diversity in its Strategy by ensuring that the strategic plans are fair and inclusive.</li><li>4. Expand Horizons of Knowledge : University is driven by research and innovation and ensures continuous engagement in the scholarly activities in the pursuit of innovation, creativity, and excellence.</li><li>5. Shared Governance : University encourages shared decision-making through a process that rests upon collaborative consultation, open flow of information, diverse involvement, and collective deliberations of all stake holders.</li><li>6. Social Responsibility : University creates and nurtures an inclusive environment where</li></ol>	

**HEI ID:****Name of HEI:****Type of HEI:**

		<p>everyone can develop their full potential and contribute to the interest of the society as a whole.</p> <p>7. Environmental Responsibility : University is acutely aware of its environmental responsibilities and embraces principle of sustainable development to ensure that any adverse environmental impact of its activities is minimized.</p> <p>8. Service : University seeks to serve the diverse, personal, and professional development needs of its constituents and encourage habit of engagement, caring, and civic responsibility by emphasizing a connect between service, excellence, and career growth</p>	
3.	<p>Programme Development and Approval Processes</p> <p>a. Curriculum Planning, Design and Development</p> <p>b. Curriculum Implementation</p> <p>c. Academic Flexibility</p> <p>d. Learning Resource</p> <p>e. Feedback System</p>	<p>On approval of the new programme by the Standing committee, the Program Review and Outcome Assessment Committee (PROAC) prepares the programme structure. This activity is done keeping in mind the Local, Regional, National and Global needs, Job forecasts, Graduate Attributes, Programme Mission, competencies developed etc..</p> <p>In case of running programs, based on detailed discussion on the external and internal subject experts, the changes are suggested for programme structure of MA for the respective academic session.</p> <p>In case the programme structure has new courses, the PROAC will approach the respective stream coordinator to create a CRC for creating new course curriculum. The CRC will create the course curriculum of new courses in CD01a and take the feedback from the stakeholders. The stakeholders include representatives from Industry, Academia, Research and Alumni. After the feedbacks are received from the respective stakeholders, the FAS of the courses is prepared and is presented during the Area Advisory Board (AAB). The AAB can be conducted either in online or offline board with internal and external members of the CRC. Considering the recommendations made in the Area Advisory Board, the course curriculum is amended/modified accordingly.</p> <p>The programme may have some existing courses which may or may not require review. The Program Review and Outcome Assessment Committee (PROAC) examines the introduction of existing</p>	

**HEI ID:****Name of HEI:****Type of HEI:**

		<p>courses which may be used in the programme structure and in case these courses require revisions, the PROAC will inform the concerned CRC members through stream coordinator for the revision of the required courses.</p> <p>The course's revision will follow the same process of taking stakeholder's feedback, creation of FAS and then revision of the course curriculum as per the recommendations of the AAB.</p> <p>PROAC will seek the feedback from stakeholders on the programme structure. The curriculum of all the courses must be sent to the stakeholders for the meaningful feedbacks. For this reason, the course curriculum recommended by AAB should be sent to the PROAC. PROAC will prepare the FAS of the program which is to be presented to Board of studies (BoS). BoS apart from the constituted members will invite the Dean of the other Faculty/Domain of the course is to be used by the other domain. BoS after due deliberations will recommend the Programme Structure and the course curriculum for the approval of Academic Council after due verification by special committee. Academic Office will be responsible for submitting the Minutes of the Meetings of Board of Studies to Academic Council.</p> <p>Review of Existing Programmes</p> <p>The review of the existing programmes may be necessitated either due to changes required in the course curriculum of courses depending on the feedback received from the students/ the faculty teaching the courses or due to change or due to changes in local, regional, national and Global needs or revision of Graduate Attributes.</p> <p>The major review of existing programmes is undertaken every three years. The process for the review of the existing programmes is also same as stated above.</p>	
4.	Programme Monitoring and Review	<p><b>Monitoring</b> is a continuous process which allows for regular feedback of systematically collected data or information.</p> <p>Review : The overall focus of the review is on using information as an evidence base to identify trends in student satisfaction and student outcomes and evaluate how well the department has responded to</p>	

**HEI ID:****Name of HEI:****Type of HEI:**

		<p>key challenges and built upon areas of success and good practice. The findings of the review are used to inform plans for further enhancement to provision and practice, as well as action points where improvement is required.</p> <p>Monitoring and Review is an essential component of any modification planning at Amity University Online. Performance indicators can be monitored and the results used to determine when actions should be implemented and to track the success of the modification plan. Effective monitoring and Review underpin the planning cycle. The purpose is to reflect critically on, and evaluate, a range of data sources in order to prompt discussion on in-year and/or future developments and to identify actions which will address any matters arising, ultimately enhancing the provision and the student experience.</p> <p>Amity University Online has various approval / modification processes to suit the scale and / or impact of the introduction or modification being made. These processes range from formal validation of new provision (engaging external subject experts, industry professionals and internal University representatives) to Faculty Board of Studies' consideration of updates and minor revisions.</p> <p>Monitoring allows Amity University Online to assure itself of the continued quality and relevance of its programmes. Additionally, it benefits the institution in identifying and sharing of good practice.</p> <p>The procedure for monitoring requires robust evaluation at each stage to ensure that good practice and areas for improvement are considered and dealt with by the appropriate authority within the University.</p> <p>The documentation set for annual monitoring of taught programmes includes:</p> <ul style="list-style-type: none"> <li>• Module Review Reports</li> <li>• Programme Review Committee Reports</li> <li>• Board of Studies Minutes and actions</li> <li>• Academic Committee Reports</li> </ul> <p>All the Programmes delivered are reviewed on an individual basis and not combined with other programmes, meaning that separate Programme Review Reports will be produced all Programmes.</p> <p>Completed documentation for monitoring is submitted to academic office.</p>	
5.	Infrastructure Resources	Amity Online fulfill infrastructure requirements as stated by UGC & AICTE. In addition, the learners are	

**HEI ID:****Name of HEI:****Type of HEI:**

		also provided with the virtual & physical library of the University. We also have resources like Reading room, studios, computer labs, each one is ICT-enabled that allows the use of institutional Learning Management System (LMS) for contemporary teaching pedagogies using audio-visual media. Laboratory equipment are compatible with the requirements of industry 4.0. Apart from physical labs, University created 18 virtual labs. The University has latest software and computing facilities to carryout research projects and support experiential learning.	
6.	Learning Environment and Learner Support	Amity University Online presents AMIGO, an individualized learning platform that grants students a flexible and convenient means to access their courses and learning materials within a unified interface. The platform encompasses a student page, an Amigo Dashboard, and an interactive discussion forum. Notably, it offers audio translation functionality for textbooks and hosts multiple orientation sessions to aid students in navigating specific features. In addition, the university furnishes an array of curricular and extracurricular activities, such as a radio counselling program, expert talk sessions, and virtual placement drives. To optimize academic and professional outcomes, a comprehensive 30-day Onboarding program has been meticulously developed. To further bolster student support, the university employs diverse channels of communication including emails, WhatsApp, phone calls, and social media handles. By leveraging e-resources and innovative pedagogical methods, Amity University Online strives to deliver an immersive and interactive learning experience that fosters student enrichment.	
7.	Assessment and Evaluation	Amity University Online follows the assessment and evaluation process as per the guidelines prescribed by the University Grants Commission (UGC). The assessment components consist of both internal assessment and end-term examinations, with weights of 30% and 70% respectively, contributing to a cumulative total of 100%. The passing criterion for internal assessment is set at 30%, while for external assessment, it is also 30%, with a minimum aggregated score of 40% for undergraduate (UG) and postgraduate (PG) programs. The question paper is structured into three sections, including subjective questions, a case study, and multiple-choice questions. The total marks allotted for the	

**HEI ID:****Name of HEI:****Type of HEI:**

		assessment is 70, and the allotted time for completion is 120 minutes. The minimum passing Semester Grade Point Average (SGPA) for each semester or year is set at 5.0 for PG programs and 4.5 for UG programs. Furthermore, students must attain a minimum overall Cumulative Grade Point Average (CGPA) of 6.0 for PG programs and 5.0 for UG programs. The divisional classification is based on the CGPA, and conversions from CGPA to percentage marks do not follow a precise formula. The university aims to provide an enriching and interactive learning experience for students using e-resources and innovative teaching methods.	
8.	Teaching Quality and Staff Development	Faculty are encouraged for research activities in their domain. Various webinars, workshops, trainings, FDP are conducted periodically for the overall development of the faculty. For staff, besides SDP various trainings are conducted by Amity Staff College as per academic calendar.	

### 2.3 Compliance of Process of Internal Quality Audit – As per Annexure-I (Part V (3)) of UGC (ODL Programmes and Online Programmes) Regulations, 2020 :

[UGC Approval](#)

[PPR Approval](#)

#### **Upload samples and authority approval**

PPR has to be approved by the highest academic authority of the University. Hence the approval of PPR has to be sought from the School Board and the Academic Council.

**1. Program Proposal Stage :** A concept note is prepared by the Programme coordinator and then a need assessment study is done and the outcome of this study is documented. Based on the level of the programme, the budgetary requirement for the development of the programme and its delivery will have to be worked out by the Programme Coordinator in consultation with the Director of the School. Programme Proposal Form (PPF) is then filled & submitted to the Director.

**2. Program Development stage :** On approval of PPF by the Planning Board/ APC, the Programme Coordinator will initiate the process of developing the programme. The Programme Expert Committee will frame learning objectives of the programme in terms of knowledge and skills to be imparted, eligibility criteria for admission, duration, target group of students, broad programme structure including various media components, credit weightage, delivery and student support mechanism, evaluation methodology, and such other issues pertaining to the programme keeping in view the overall policy, Acts and Statutes of the University. The coordinator will sought other details like Programme Code, Course code, programme fee from the Planning division. Based on these information, then the PPR is filed as per the UGC regulations before developing the academic programme, which will be the submitted to the Director for approval. The same will be then submitted to the Member Secretary, Academic Council, after incorporating changes recommended by the School Board, if any for the approval of the Academic Council.

### **5.2 Compliance status of ‘Quality Assurance Guidelines of Learning Material In Multiple Media And Curriculum And Pedagogy’ – As per Annexure - VI of UGC (ODL Programmes and Online Programmes) Regulations, 2020**

*HEI shall mention compliance details against the requirements in terms of learning material (Print Media), Audio-Video Material, Online Material, Computer-based material*

[Program Approval](#)

The SLM developed is self-explanatory, self-contained, self-directed, self-motivating and self-evaluating. The material is so designed that it becomes easy for the learners to retain it. It provides them the opportunity to engage in higher-order thinking, critical reasoning and handling complex situations. The audio-video materials are developed to complement the SLM and as such uses simple and appropriate language, it conforms the learning outcomes.

For Online & Computer based learning, the file size is so kept that they can be easily navigated, accessed and downloaded. The format used are either word processing, PDF or E-Pub format. The contents are easily available across platforms and devices. Though the digital files are compressed but the quality is not compromised. Our audio-visual material can be accessed through any device at any place and point of time.

Our curriculum is consistent with the mission of our Institution and is designed on Learning Outcome based Curriculum Framework. The structure is well defined and has the linkage to previous and subsequent stages of learning. The content justify the learning outcomes.

### **5.3 Compliance status in respect of e-Learning Material- As per Annexure - VII of UGC (ODL Programmes and Online Programmes) Regulations, 2020**

*HEI shall mention the process followed to ensure that SLMs are prepared as per the guidelines mentioned in the Regulations. The explicit details of approval by its Statutory Authorities shall also be mentioned.*

**8.2 Whether Higher Educational Institution provided the details of all International learners enrolled immediately after the beginning of the academic session to the Ministry of External Affairs, Ministry of Education and University Grants Commission: Yes/No**

**Yes**

**If No, reason thereof:**

## Part – IX: Grievance Redressal Mechanism

### 9.1 Compliance status of 'Grievance Redressal Mechanism' – As per Annexure - X of UGC (ODL Programmes and Online Programmes) Regulations, 2020

*HEI shall mention the mechanism put into place along with brief details of grievances received and actions taken thereof. Also mention that how the learners have been made aware about this mechanism.*

#### INSERT TEXT BOX

**OBJECTIVE** To provide opportunities for redressal of certain grievances of students already enrolled in any institution, as well as those seeking admission to such institutions, and a mechanism thereto. Modes through which students may raise their grievances to student support:

1. Email: students can drop an email to studentsupport@amityonline.com Id
2. Phone: Call on the following numbers to reach directly to student support team: 1800-102- 3434 option# 2 & +91 – 8826334455.
3. 'Post Query' on Student Portal

Grievance redressal and closure: - Post receiving the student grievance via email/query, an interim response is shared with the student informing them that the request has been received and a tentative closure time is shared.

- For the students who reach out on Inbound queue with the grievance, an email is generated via student support if the student has not escalated previously via email.
- The dependent department SPOC (Single Point of Contact from Academics, Examinations, Finance etc.) is reached out internally to get relevant solution to the grievance shared.
- Post receiving the resolution from the internal department, the final response is shared with the student withing defined turnaround time.
- If there is any delay in getting resolution from the internal department SPOC, an interim response is shared with the student within 24 hours of the first response.
- In case of further delays from the SPOC, we follow escalation matrix where we reach out to level 2 (mostly reporting supervisor).
- In case of delay beyond the expected time of resolution, the case is presented to the HOI (Head of the Institution). Post receipt of the amicable resolution, the student is informed via email or/and call (wherever applicable) and the case is resolved.

### 9.2 Details of Grievance received

Numbers of Grievance Received	Numbers of Grievance Resolved
106350	106350

### 9.3 Complaint Handling Mechanism

*HEI shall mention the mechanism adopted for Complaint Handling Mechanism as per Regulations. Also, mention details of Nodal Officers.*

**HEI ID:****Name of HEI:****Type of HEI:****INSERT TEXT BOX**

- Students can communicate their concerns and complaints through different channels like: – Call – Email – Post query section in the student portal – Walk ins – Social Media
- Dedicated student support is available 7 days a week from 9am – 9pm.
- The first point of contact is the Support Team.
- Depending on the complaint type, support takes further action.
- FCR (First Call Resolution) : In case of a FCR, student is given the required information real time when on call. In case of email or post query, the response is sent directly to their email or student portal.
- Non- FCR: In case of a Non FCR, the support team informs the student about the TAT for the resolution.
- Support team will then escalate the query to the relevant department with complete information about the student like enrollment number, programme, session, etc.
- The TAT to resolve queries is 18 business hours.
- In case, the student is not satisfied with the resolution, we ensure to make the student meet with the competent authority (HoI), ensuring 100% satisfaction. The queries are raised by the students through Freshdesk.
- Post your Query Section- This section is available in student portal itself. They can raise their issue/concern by selecting the correct options based on the nature of the query.

## Part – X: Innovative and Best Practices

### Innovations introduced during academic year

#### 10.1

##### INSERT TEXT BOX

1. During the academic year 2020-2021, several innovations were introduced to adapt to the challenges posed by the COVID-19 pandemic. These innovations aimed to facilitate remote learning, enhance virtual collaboration, and ensure continued access to education. Here are some notable innovations that emerged during that time:
2. Interactive Virtual Classrooms: We advanced virtual classroom platforms to create interactive and engaging learning environments. The learning was offered in four quadrant approach namely- E-Tutorials, E-Content, Assessments and Web resources. All instructors conducted virtual lectures, initiated discussions to enhance the learning experience.
3. Creation of Studios at home: Since one of the requirements of online teaching is to provide pre-recorded sessions to the students, the same was done in the studios of the department. During pandemic, all faculty were to work from home, the faculties had to set up the studios in their homes and fulfil this criteria.
4. Simulations: To enhance student engagement and motivation, we incorporated Simulations by Harvard Business Publishing into their curriculum. Two of the courses where Simulations was introduced were Financial Analysis Simulation: Data Detective, Course being Accounting for Managers and a course on Managerial Economics, Macroeconomics Simulation: Econland. The simulation techniques stimulated healthy competition among
5. Virtual Job Fair: The Virtual Job Fair showcased our commitment to supporting students' career aspirations and fostering meaningful connections with industry professionals. The event, held during the academic year 2020-2021, aimed to bridge the gap between job seekers and employers while adapting to the challenges posed by the COVID-19 pandemic.
6. Skillify Sessions: To connect better with our students, the department introduced Skillify sessions. These sessions are hosted on LinkedIn. LinkedIn, a professional networking platform, and while it is known for fostering industry discussions focus is more on professional development, career networking, and sharing industry insights. Our faculty engages in live video broadcasts sharing valuable insights and knowledge.
7. In house Professional Development for Faculty: Recognizing the need for faculty to adapt to online teaching, the department offered professional development training. These programs equipped educators with the necessary skills and strategies to effectively deliver online instruction. The faculty received training on using virtual teaching tools, implementing interactive techniques, and managing virtual classrooms.
8. Continuous Student Support: we have prioritized continuous student support throughout the academic year. The student support has dedicated helplines, online chat support, and email assistance to address students' queries and concerns promptly. TAT to response to student queries is 48 hours. All issues are raised through a ticket number. Virtual counselling sessions were conducted to support students' mental health and well being.
9. The innovations introduced by Amity online during the academic year 2020-2021 showcased our commitment to delivering quality education. These innovations empowered students to continue their education effectively and facilitated their growth and development despite the challenges posed by the pandemic.

## 10.2 Best Practices of the HEI

### INSERT TEXT BOX

To ensure effective and engaging virtual learning experiences, several best practices were followed. Here are some of the key practices implemented during that time:

- **Engaging Content Delivery:** The faculty employed interactive and multimedia-rich content delivery methods to keep students engaged during online classes. They used a variety of tools and techniques, including presentations, videos, online tools, and virtual simulations, to deliver lectures and explain complex concepts effectively.
- **Collaboration and Interaction:** We emphasized the importance of collaboration and interaction among students. The faculties initiated the discussions forums where students could actively participate, share ideas, and learn from one another. Collaborative tools were utilized to promote peer-to-peer learning.
- **Personalized Learning:** Recognizing that students have different learning styles and needs, personalized learning approaches were adopted. The faculty provided individualized feedback during the live sessions, and adaptive learning platforms to cater to students' unique requirements. This approach allowed students to progress at their own pace and focus on areas where they needed additional support.
- **Accessibility and Inclusivity:** Amity Online aims to be accessible and inclusive for all students, 24X7. All faculties ensure that learning materials were compatible with the current needs of the industry.
- **Assessments and Feedback:** Online assessments were designed in such a way to evaluate students' understanding and progress effectively. To create the assessments Blooms Taxonomy was used. A variety of assessment methods, such as MCQ's and case studies are used to assess different types of learning outcomes. Timely result was provided to students to help them track their progress and make improvements.
- **Tech Support and Training:** Our department has a separate LMS team to manage the learning Management portal of the students. This team provides the LMS support and training to students to navigate on AMIGO- The student online learning platform. Regular orientation sessions are offered every month to help students resolve their queries.
- **Well-being and Support:** Recognizing the impact of the pandemic on students' well-being, we prioritized mental health support. Access to counselling services for students to connect and seek support from their peers and faculty.

Harshal Wagh

BCA (2020-2023)

"I'm excited to share that I've completed my final exam for my online BCA course from Amity University! This has been an incredible journey for me, and I'm so proud to have earned my degree from such a renowned institution. While it was challenging to balance my personal life and work commitments with my studies, Amity's online program made it possible for me to complete my degree on my own schedule.

The online BCA program at Amity University is designed to provide students with a rigorous education in computer science and technology. I've had the opportunity to learn about a range of topics, from programming languages and data structures to cloud computing and artificial intelligence. The program has been both challenging and rewarding, and I feel that it has prepared me well for my future career.

One of the things I appreciated about the online program was the flexibility it offered. I was able to access course materials and lectures at any time, and I could study from anywhere in the world. This made it possible for me to pursue my degree while juggling other responsibilities, which was incredibly valuable. Completing my final exam was a significant milestone, and I'm grateful for the support of my family, friends, and the faculty at Amity University. I'm excited to see what the future holds for me now that I have my degree, and I'm looking forward to applying what I've learned in the real world. Thank you, Amity, for an

unforgettable educational experience!"

**Initiatives taken towards conversion of e-LM into Regional Languages**

**10.6****INSERT TEXT BOX**

The National Education Policy 2020 emphasizes the use of regional languages in teaching and learning to ensure that education reaches a broader diaspora. The conversion of online self-reading material into regional languages is a significant step towards achieving this goal.

Following this approach, the conversion of self-learning materials for BA and BCom courses into regional languages namely Tamil, Telugu, Kannada, and Malayalam was initiated. The translated content is provided in a time-bound fashion and can be accessed seamlessly in the LMS.

The translation of self-learning material is targeted towards the South Indian diaspora to improve outreach and provide equal educational opportunities to students who may not be fluent in English. It is a step towards creating an inclusive learning environment and ensuring that students have access to quality education irrespective of their language proficiency. The content has been well received by students who are more comfortable learning in their native languages.

Overall, the initiative promotes the idea of making education accessible to all, irrespective of their language proficiency, and encourages them to participate in the learning process with greater ease. It is a significant step towards achieving a more equitable and accessible education system.
